

If you don't move the air, you can't clean the air: Take the balloon test! You be the judge.

—David Oreck, Founder

balloon
doesn't fly,
I wouldn't
buy."

Try an Oreck Air Purifier risk free for 90 days. Compare it to the most popular stick-style units. Then decide.

Millions of Americans are needlessly breathing unhealthy amounts of air pollution every day, right in their own homes. That's why you need an air purifier. But which one captures and destroys bacteria, mold, viruses, and fungi, and removes cooking odors, chemical fumes, pet odors, cigarette smoke and other indoor air pollutants? An Oreck Professional Air Purifier. Here's something you can try. Place a balloon above one of the popular stick-style units you see advertised and watch what happens. It falls to the floor. There's virtually no air movement at all. That's why a well-known consumer products magazine reported that the leading stick style unit was "ineffective." Now place the balloon

Electronic lifetime filter never needs replacing!

at the top of an Oreck Air Purifier and watch what happens.

The balloon floats above the purifier! That's pure, fresh air pushing it. You might even see this on television in one of our Oreck infomercials. The proof is obvious.

The Oreck Professional Air Purifier uses the same advanced technology as the U.S. submarine fleet. It renews the air in a 30'x30' room every hour. It captures 95% of air pollutants as minute as 0.1 microns. That's 1/1000th the width of a human hair. And it features Silence Technology® so it's quiet enough for use in a baby's room. For a limited time, you can try an Oreck Professional Air Purifier absolutely risk free for 90 days (we'll pay the shipping) and our \$130 Oreck Hand Mixer is yours free! Even if you return the Air Purifier. Decide to keep the purifier and you'll get a bonus gift: the Oreck Refrigerator Purifier (a \$50 value!). It removes odors and bacteria and keeps food fresher longer.

With an Oreck Purifier, the electronic filter never needs replacing. Just rinse it off and it's as good as new! It uses less electricity than a 75-watt light bulb. Try one absolutely free for 90 days. If you don't notice the difference, dust less and simply enjoy fresh, clean and crisp air, just send it back. It won't cost you a dime, but keep the Hand Mixer as our gift.
